RESEARCH APPOINTMENTS

- August 2021–June 2023 **Clinical Research Assistant**
Department of Family Medicine, University of Michigan
Ann Arbor, MI
Principal Investigators: Golfo Tzilos Wernette, Ph.D. and
Caron Zlotnick, Ph.D.
Responsibilities: Worked as a clinical research assistant on
two NIH-funded research projects related to computer-
delivered behavioral interventions designed for perinatal
women. One project aimed to reduce intimate partner
violence, while the other aimed to reduce substance use and
STIs. Main responsibilities included recruiting and
scheduling participants, obtaining informed consent,
navigating participants through study visits, conducting
motivational interviewing, entering data, collecting urine
samples for drug testing purposes, and training other
research assistants. This research resulted in an oral
presentation given at the biennial North American Society

for Psychosocial Obstetrics and Gynecology (NASPOG) conference, and a publication in Psychiatry Research.
